Russian Paralympic Committee and Russian federation of sports for persons with physical impairment invite to participate in Russian classifiers seminar "Functional classification of PI rowing athletes".

The seminar is opened for PI rowing coaches, medical adaptation personnel and physical education specialists.

Dates of the event: May 29-31 2019

Location: Russian Paralympic Committee (Moscow, Turgenevskaya sq. 2) – theoretical section of the seminar; Krylatskoe Rowing Canal (Moscow, Krylatskaya ul. 2) – practical section of the seminar.

Schedule :

May 29 – theoretical events;

May 30 2019 - practical events (PI rowing athletes classification - participants of Grand Moscow Regatta 2019);

May 31 2019 – practical events (observation of PI rowing athletes at Grand Moscow Regatta 2019 to verify earlier determined classes).

The seminar is led by director of antidoping, medical and research departments of RPC, main classifier of Russian federation of sports for persons with physical impairment, candidate of medical sciences, Guzel Idrisova.

At the end of the seminar, participants will receive RPC Certificates, which allow them to determine PI rowing athletes' level of classification.

Participation in the seminar is free. Commanding expenses are managed by commanding organizations. Seminar participation form is attached.

Attendance requests must be sent by e-mail to bair.bardyshev@gmail.com prior to May 28 2019. Phone: +7(499) 922-11-94.
